

Find Reliable, Empowering Health Information at **acog.org/WomensHealth**

The ACOG patient website is the destination for women's health information you can trust. You'll find evidence-based resources from the leading organization of physicians dedicated to women's health.

Health Topic FAQs

Find comprehensive information on health topics spanning sexual health, pregnancy, screening and prevention, health conditions, menopause, and more—from the teen years to midlife and beyond.

Ask ACOG

Have a question about women's health? Submit your question to ACOG anonymously. Selected questions and answers will be posted on the website to help educate other readers. **Intended for general education, not to provide specific medical advice.*

Patient Stories

Read stories from patients on topics such as menopause, preterm birth, postpartum care, breast cancer, female genital pain, and more. You also can volunteer to be interviewed about your own story—and help others understand the realities of women's health.
